APPLICATION FOR A SEPTIC SYSTEM DISPOSAL WORKS INSTALLERS PERMIT

REGULATION 2.2 OF TITLE 5

The applicant agrees not to engage in the construction, alteration, installation or repair of any individual sewage disposal system without first obtaining a Disposal Works Installer's Permit from the Board of Health.

Also, we understand and have read fully, the regulations of Title 5 as to the installation method and standards of construction; furthermore, we agree that we shall not place into service a new, altered or repaired individual sewage disposal system until the Board of Health or its assigned agent has issued a Certificate of Compliance indicating that said disposal system has been located, constructed, altered or repaired in compliance with the terms of the permit and the requirements of Title 5 and Regulations of the Hopedale Board of Health.

Applicant's Name, Corporation Name, Business Address and Telephone Number.

Name persons authorized to perform work under your supervision.
